FOOD FEST:-

Our college has organised food fest on 9 March 2021 by our college principal D.K.V.Lakshmi and inaugurated by our honourable secretary **Dr Rs Praveen Kumar sir**. The students of all courses participated in this fest with great enthusiasm.

An amazingly mouth watering food festival was arranged and it named as CELEBRATION OF FLAVOURS. It was a great success and all the tokens which were kept for food stalls were sold out within 2 hours. This festival has surely impressed taste buds of the people.

Start-Up At College on Trial basis.

Our students started a Tea business at college premises with the help of our head office. The entrepreneurial spirit at the college level is willing and eager. Nearly 90 percent of young people believe that entrepreneurship education is important.

And with the advent of the internet, free access to resources and lowered barriers to entry, students can now start business with minimal capital.
