Criterion 7 - Institutional Values and Best Practices

7.3.1 Portray the performance of the Institution in one area distinctive to its priority and thrust.

Historical distinctiveness:

History of the town:

Sangareddy, formerly known as Sangareddypeta, dates back to 1750. As we flip through the pages of history, we learn that Queen Shankamma ruled the area and constructed the town. The town was named after her father Sangareddy.

Location Distinctiveness

The college is situated near to Sangareddy in Budhera villag and a hub of industries are located in the district. Many pharmaceutical companies are located near the town. The district houses 359 major and minor industries.

Institutional distinctiveness

Vision:

To be a beacon of global leadership in education, TSWRDC, Sangareddy College envisions itself as a transformative force and an invaluable ally in the promotion of a just, humane and inclusive society in India. Our commitment is to empower stakeholders through skill-based, entrepreneurial, value-based, affordable and quality education in line with the National Higher Education Policy. Our ultimate goal is to cultivate individuals who will go beyond academic excellence and emerge as well-rounded human beings who are ready to thrive in a dynamic and interconnected global landscape.

MOTTO: Motto of our college is "Empowering Futures, Building Beyond Demand".

Mission:

"At TSWRDC, Sangareddy College, we are committed to imparting excellent, quality education and to moulding students into well-rounded individuals to become Employees, Employers and Entrepreneurs. Our mission is to empower our stakeholders through transformational, skill-based and affordable education and to produce graduates who excel academically and embody well-rounded, socially conscious qualities, in line with the National Higher Education Policy. We aim to prepare students to succeed in a dynamic global environment and contribute meaningfully to improving our society.

Academics:

TSWRDC, Sangareddy is a commerce specialised college offering varied commerce courses namely Bcom General, Bcom honours, Bcom computer applications and Bcom Business Analytics.

The field of commerce education is critical for students aspiring to succeed in the dynamic and competitive business world. Covering a broad range of subjects, from accounting to entrepreneurship, commerce education equips students with the knowledge and skills necessary to thrive in diverse career opportunities.

Commerce education is an invaluable asset for students who are looking to carve a career in the business and finance sectors, as it equips them with essential knowledge and skills related to banking, investments, taxation, personal finance management, etc. It also focuses on personality development by helping students cultivate their leadership abilities while developing important problem-solving techniques necessary to face challenging situations posed by technological disruptions or rapid changes in global economic trends.

Through commerce instruction, graduates can be better prepared when entering into today's ever-changing job market making financial literacy accessible and inclusive of all backgrounds that wish to gain lucrative employment opportunities throughout many successful industries ultimately driving ongoing overall economic success within any given country.

Knowledge of financial management, legal frameworks, marketing, and entrepreneurship principles and practices is a prerequisite for any business professional. By studying commerce subjects, students develop essential abilities that help them navigate the complexities of the corporate world confidently.

Admissions:

Scheduled castes are those castes/races in the country that suffer from extreme social, educational and economic backwardness arising out of age-old practice of untouchability and certain others on account of lack of infrastructure facilities and geographical isolation, and who need special consideration for safeguarding their interests and for their accelerated socio-economic development.

The Telangana Social Welfare Residential Educational Institutions Society (TSWREIS) under the patronage of the Ministry of Welfare has been passionately and impeccably rendering its services for the past 35 years to improve the standards of life of the Scheduled Caste students providing them quality and sustainable education in English medium upto graduation.

TSWRDC, Sangareddy under guidance and management of TSWREIS (HO) gives 75% of admissions to SC students. Education is the strongest weapon with which the lives of the marginalized children can be transformed into social and economic spheres thereby cultivating a new generation of the Telangana state which can lead the country in the 21st century.

Facilities:

TSWRDC, Sangareddy being a social welfare college provides books, uniforms, and all other amenities free of cost to the students to ensure that education is not denied due to the poor financial condition of their families.

It aims to promote the welfare of students through their educational, economic and social empowerment.
