Entrepreneurship Development Cell.

05/03/2020

Economic development of the country is supported by entrepreneurship in several ways. It is a key contributor to innovativeness and product improvement and a pivotal ingredient to employment creation. In Indian market, entrepreneurship led growth (economic) is more inclusive hence. Governments both at central and state level, have been taking initiatives to boost the entrepreneurial ecosystem as they realize the benefits entrepreneurship brings to the economic growth of the country.

The EDC Cell of the College conducts various awareness programmes such as Seminars, Workshops, Industrial visits, Food fest and Interaction with Young Entrepreneurs etc. These programmes are aimed at making the student community more enthusiastic towards entrepreneurial activity.

VISION

- * To furnish the needs of aspiring entrepreneurs with innovative and creative ideas of societal relevance and thereby introducing a culture & ethics of entrepreneurship inside campus which strengthens the education system.

MISSION

- * To develop institutional mechanism to create entrepreneurial culture in academic institution, to foster growth of innovation entrepreneurship among the students.

Principals
